SPECIAL PROJECT

Your company's and the PROFASHION magazine's joint issue!

- ✓ Has your company prepared the franchise model for working with new partners?
- ✓ Is there a new brand to be launched?
- ✓ Is your company going to put into operation a new factory?
- ✓ Has your design team created an all-new collection?
- ✓ Is your company implementing rebranding?
- ✓ A new showroom was opened?

Any significant stage of your company's business development is a great opportunity to inform the professional community, your partners and customers about it.

The issue dedicated to the only company represents it as a trendsetter on the Russian market in such key areas as: design, retail, new markets expansion, launching new niches, introducing new products and categories, customer services, etc. Thus, a company which is starring the special issue, may serve as a facilitating model for the whole market by demonstrating its practical cases. Also the described topics will showcase the main directions of the fashion market development and indicate the most meaningful industry-related points.

All of the 4 corporate magazine covers will be issued only with the starring company's images!
There will be no third-party advertising in this issue of magazine!

PROFASHION.RU WEBSITE

PROFASHION website is the leading online media about the fashion industry within the online area of Russia and the EAEU countries. Having started as a digital version of the print edition of the namesake magazine, the portal has grown into an independent media, which has become the main source of information for industry professionals. The site publishes up-to-date information about the market – news and analytics, comments and interviews of specialists, reviews on trends and exhibitions, as well as various data interesting to market participants.

AUDIENCE

The site is meant for professional audience and pays much attention to attracting only targeted traffic, without using the practice of «pumping» online visits of end users not interested in the professional content. The readers of the site as well as the invited authors and experts are business owners, top managers, designers, marketing and other practicing specialists engaged in the design, production and retail of fashion goods. Also the potential audience of PROFASHION.RU includes the managers of companies providing related services – logistics, consulting, banking, etc., and the government officials.

Average number of unique visitors – 44.6 thousand/month.

ARTICLE INTEGRATED BANNER

This is the most clickable banner advertisement on the site, with a high CTR. It is displayed in articles of all news sections («Business», «Fashion», «Production», «Events», «Kids»), except for «Company News». This gives maximum audience coverage, and the location inside the text provides additional attention to the banner so that the offer will definitely not go unnoticed.

Position	USD, per week
All news sections: «Business», «Fashion», «Production», «Events», «Kids»), except «Company News».	600

SPONSORSHIP OF THE PROFASHION GUIDE SECTION

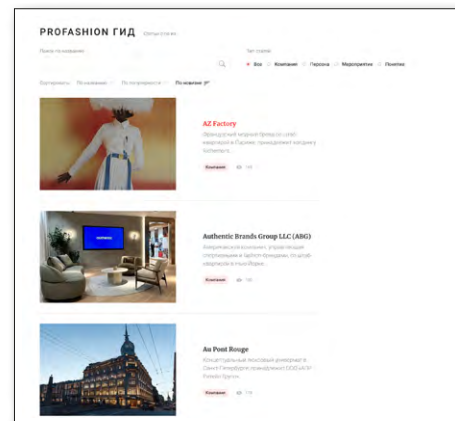

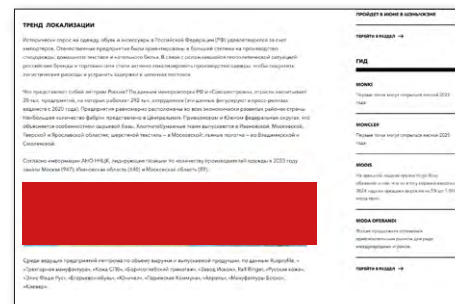

The directory of informational profiles «PROfashion Guide» attracts increased interest of the site's readers. It is additionally promoted with the links driven from the other texts on the site and from the materials published in social media. The sponsorship of this section serves as an image indicator of the advertiser and helps to present the company as an authority in the fashion world. In addition to the ad integrated directly into the pages of the "Guide" section, we offer indicating the sponsorship in the e-mail newsletters – in regular weekly newsletter and in the «Topic of the month» newsletter.

Upper banner	Price per month, USD	Traffic per month
	400	3000+

As a bonus there will be prepared an article about your company for the «Guide» section (the article will stay in the section on constant base). Types of articles: about a person, a concept, a company, an event. Indication of sponsorship in the weekly newsletter is provided during 1 month and in the newsletter «Topic of the month» – 1 time.

Leave your mark in modern fashion history!
